

ONLINE SAFETY TIPS

FRIENDS ONLY

Never interact or accept requests from strangers. Only add friends you know and talk to in-person/real life.

PRIVACY

Never share any personal information, photos or videos online or on any apps.

COMMUNICATION

Always ask an adult before you download any apps.

YOUR IMAGE

Never post anything you wouldn't want your family, friends or teachers to see.

AGE REQUIREMENTS FOR APPS

Many apps require users to be 13+.

UNPLUG DEVICES

Take time away from your devices.

LOCATION SETTINGS

Always turn your location settings OFF on both your device and any app you use.

ONLINE BULLYING

Always be kind when communicating online and TELL a trusted adult if someone is bullying you or a friend.

PASSWORDS

Never share your password(s) with anyone except your trusted adult. Passwords are meant to be private.
